AccuformNMC, working together to bring you the very best in safety identification.

- Thousands of Safety ID Products
- World-Class Customer Service
- OSHA-10, 30 & 55 Lean Trained Experts
- Safely Made in the USA®

FRONT GATE

Facility identification starts at the front gate. A well-marked facility adds pride, supports safety, and reinforces corporate branding.

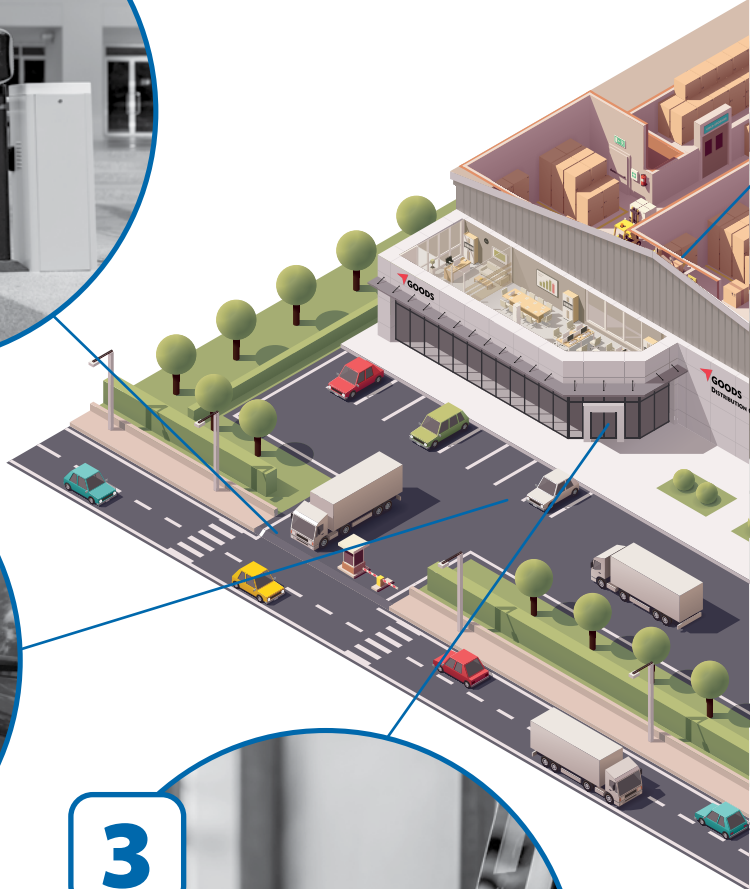

Page 11

PARKING LOT

Traffic control is central to safety in and around the building. From parking signs to bollards, we have it.

Page 8

FRONT OFFICE

A warm greeting sets the tone. A front office is great for banners, safety scoreboards, wayfinding, and much more.

Page 18

PRODUCTION ENTRANCE

Keep production teams informed of safety requirements and status as soon as they enter the facility. Motivational and informative signage can make safe choices a priority for all employees.

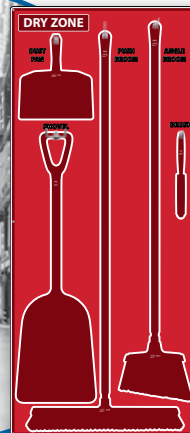

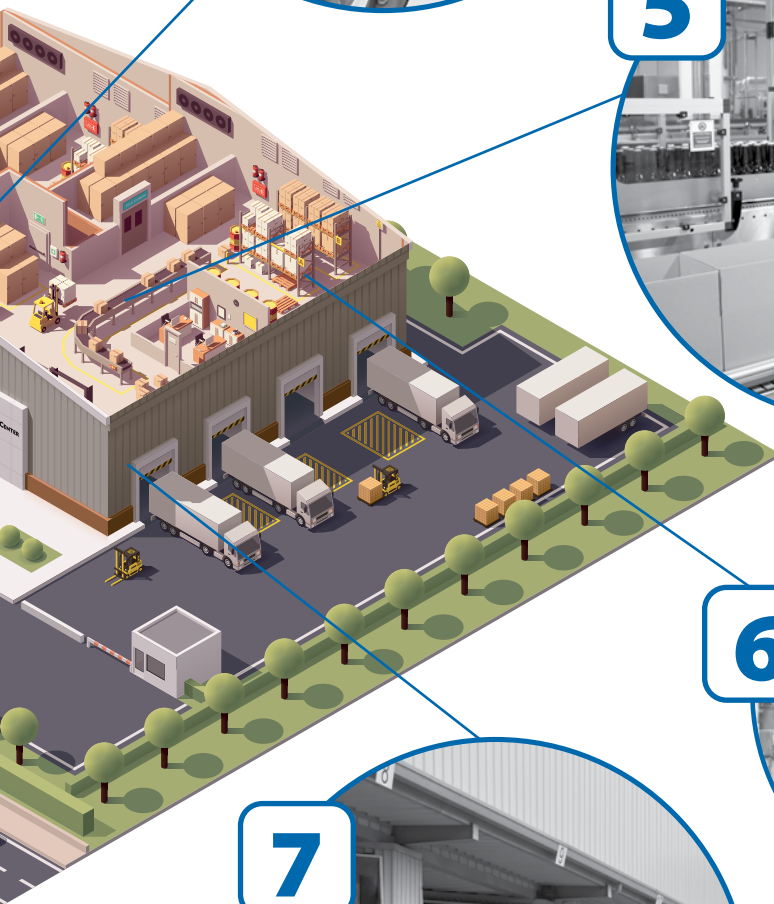

Page 24

PRODUCTION FLOOR

PPE Dispensers and Signs help reinforce what safety equipment should be worn in a facility. The production entrance should remind all employees and visitors of the proper safety requirements.

Page 34

WAREHOUSE

Stock and custom signs, 5S Store-Boards™, Site-Boards™, and more... Production floors benefit from the safety and organizational solutions we offer.

Page 46

BACK DOCK

The back dock presents the last chance to make a great impression, making it a key area to post critical safety information.

Page 66

SHIPPING AND RECEIVING

Shipping: A limited number of products are denoted with a (BOX) icon throughout this catalog - these items require special handling and must ship by truck/LTL. These items do not qualify for any special shipping programs and will be billed accordingly.

Key Materials for Signs, Tags & Labels

SIGNS

Adhesive Vinyl – Ideal for indoor and sheltered outdoor marking needs. Flexible vinyl with a printed matte surface. Permanent adhesive back with peel-off liner.

Plastic – Impact-resistant and pliable, plastic is durable for indoor and sheltered outdoor use. Print is protected by Sign Muscle® to guard against harsh abuse and even graffiti. Rounded corners with mounting holes.

Aluminum – Ideal for tough indoor and harsh outdoor locations. Rigid aluminum provides metal strength without rust. Print is protected by Sign Muscle® to guard against harsh abuse and even graffiti. Withstands wash-downs, abrasion, and chemical splashes—rounded corners with mounting holes.

Reflective Aluminum – Engineer-grade prismatic (EGP), reflective, .080" thick aluminum provides added visibility in low light conditions. Print is protected by Sign Muscle® to guard against harsh abuse and even graffiti. Rounded corners with center post-mount holes. Durable for outdoor locations.

Lumi-Glow™ Plastic & Lumi Glow Flex – A long-lasting, glow-in-the-dark, semi-rigid sign material that charges rapidly under any light source. It exceeds the safety standards, features, and benefits of safety grade photo-luminescent markings. The Flex material option is a 10-mil photo-luminescent vinyl with a permanent acrylic adhesive-coated back with peel-off liner.

LABELS

Adhesive Vinyl – Flexible vinyl with the printed surface. Mount with permanent acrylic adhesive back with peel-off liner—ideal for indoor and protected outdoor placement.

Magnetic Vinyl – Flexible magnetic vinyl can place, lift, and replace on most steel or ferrous metal. The print has a clear overlamine to resist chipping and cracking.

TAGS

PF-Cardstock – Pulp-free tags have no wood pulp or paper content, unlike standard cardstock tags, and are available at an economical price. Poly-based tags will not crack, distort, or shrink and can be used for applications indoor and short-term outdoor. Available in self-laminating.

RP-Plastic w/ Grommet (Unrippable Vinyl) – High-strength rigid plastic tag is ideal for use in industrial environments – resists chemicals, tears, and abrasions. The surface is easy to write on with a pen or marker, resist scuffs, and can be used indoors or temporarily outdoors.

Right-To-Know and SDS Compliance Centers

Give workers immediate access to **Safety Data Sheets (SDS)** stored in one convenient aluminum center.

- Identify the location of Right-To-Know and SDS information
- Meet the requirements for OSHA's Hazard Communication Standard (HCS)
- Make binders storing SDS documents accessible to employees
- Hang the Center Boards near chemical storage areas or other central locations
- Boards have holes for wall mounting.

 Compliance Counts:
OSHA Compliant: Hazard Communication

Pipe Markers

Pipe markers are to visibly identify contents, flow direction and hazard classification.

Compliance Counts: ASME A13.1 Compliant - Identifying Piping Systems

ASME A13.1 Scheme for the Identification of Piping Systems "...a uniform system for the identification of piping contents has been established to warn personnel when the piping contents are inherently hazardous... this standard has been prepared to specify the identification of the contents of piping systems on the basis of legends, it also suggests the use of color as a supplementary means of identifying the type of hazard of the material contained in the system."

Materials

Snap Tite™

Ideal for use on less-than-perfect pipe surfaces.

- Pre-coiled, heavy-gauge 20-mil rigid vinyl plastic is light weight, yet durable to withstand tough industrial environments
- Marker 'snaps' around to fit 360° over pipe
- Easy to remove and reapply
- Service temperature range: -4° to 158°F (not recommended for hot pipes)

Size Code	Pipe Diameter	Marker Size
STA	3/4" to 1 1/4"	6" x 8"
STB	1 1/2" to 2"	9" x 8"
STC	2 1/4" to 3"	14" x 12"
STE	3 1/4" to 5"	19" x 12**
STF	5 1/4" to 6"	25" x 12**

*Has self-adhesive leading edge for secure fit

Self-Stick Vinyl

Displays printed legend with detachable arrow for proper directional flow marking.

- Adhesive vinyl resistant to withstand harsh environments.
- High-tack, acrylic adhesive back with peel-off liner
- Adhere to clean, smooth pipe surface
- Service temperature range: -20° to 176°F

Size Code	Pipe Diameter	Marker Size
SSA	3/4" to 1 1/4"	1" x 8"
SSB	1 1/2" to 2"	1 1/2" x 8"
SSD	2 1/2" to 6"	2 1/2" x 12"
SSH	8" to 10"	4" x 24"

Additional Styles Available.

Directional Flow Arrow Tape

Provide 360° visibility for flow direction with printed arrows repeated the entire tape length. Tape has self-adhesive back. Available in standard ANSI colors. Available wound in 54-ft. rolls.

To order, add color code after the part number. Available colors:

BKOR - Black/Orange **BKYL** - Black/Yellow,
GNWT - Green/White **BUWT** - Blue/White,
RDWT - Red/White **WTBR** - White/Brown

Order #	Size	UOM

Universal Blockout Wall Switch Cover

Flip the switch, flip the lockout.

- Fits over both rocker/toggle and flat paddle switches
- Attaches to existing switch plate screw(s)
- Fully encloses entire switch
- Cover folds down to block access
- Secure with a padlock (sold separately)
- Measures 4 1/2"H x 1 5/8"W x 7/8"D
- Fits only in direction of desired switch position - on or off

No.	Unit
KDD139	Each

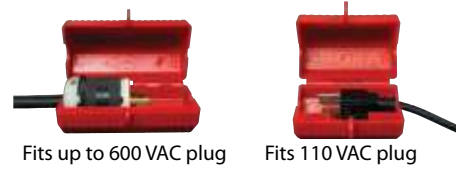

Switch locked in up position

Padlock and tag sold separately

StopPlug™ Lockout

Prevent unauthorized, accidental plug-in of power cord.

- Made of durable plastic with steel pin for the hinge
- Tamper-proof, pry-guard edge design
- Multi-Plug lockout fits most 110, 220, 550, or 600 VAC plugs – measures 3"H x 3"W x 6"L.
- 110 Plug lockout fits most 110 VAC plugs – measures 2 1/4"H x 2 1/4"W x 3 1/2"L.

Fits up to 600 VAC plug

Fits 110 VAC plug

Front Gate To Back Dock

IDENTIFYING 5S AREAS

Aisle Markings

Find it fast with properly marked aisleways and other areas of the facility.

Floor Signs

Lead the way with floor signs. Slip-resistant and attention getting.

Banners

Promote It! Reinforce company policy or motivational messages with large attention-grabbing banners.

The 5 Steps To 5S SUCCESS

1 SORT

Remove all items that are not used or needed in the work area.

2 SET IN ORDER

Find the best location for remaining items, set inventory limits, and place temporary labels, lines and signboards.

3 SHINE

Clean, repair, and paint everything, inside and out. Prevent dirt, grime, and contamination from reoccurring.

4 STANDARDIZE

Write 5S SOP for maintaining and controlling the first 3.

5 SUSTAIN

Maintain established procedures by continuously auditing and improving processes.

OSHA/ANSI Signage

Safety is often the 6th "S". Ensure your facility is in compliance with workplace safety identification.

Shadow/KPI Boards

Organize what matters with stock and custom shadow boards, and measure what you treasure with custom KPI boards.

LED Sign Projector

Shine the light. Project your message for added attention and visibility.

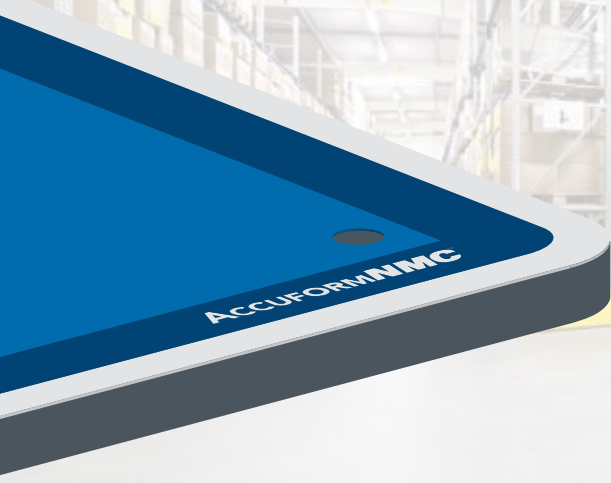

Tapes

Floor tapes provide excellent visibility for floor marking requirements.

Material Selection Guide

General Purpose Composite/Aluma-Lite™

- Basic maintenance and janitorial usage
- Dual outer layer aluminum with thermoplastic core
- 50% lighter than same thickness Industrial Grade Aluminum
- Temperature range of -60° to 180°F
- Features anti-static properties
- Protected with Sign Muscle®

Industrial Grade Aluminum

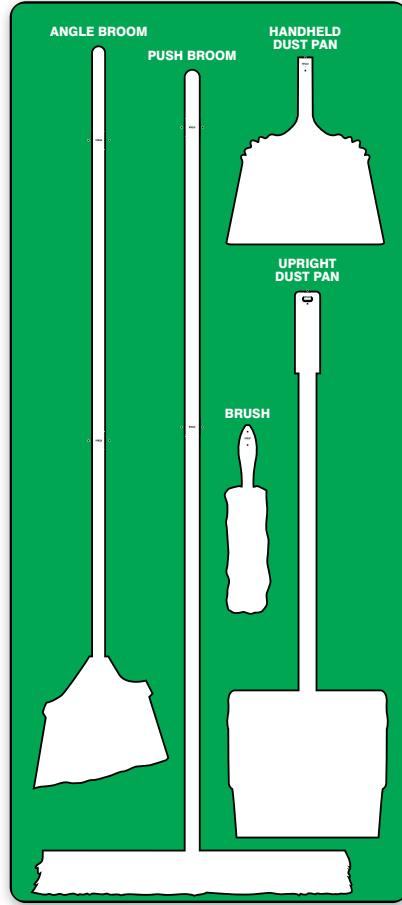

- Great for industrial, manufacturing & construction usage
- Superior strength & rigidity
- Corrosion resistant
- Temperature range of -40° to 250°F
- Protected with Sign Muscle®

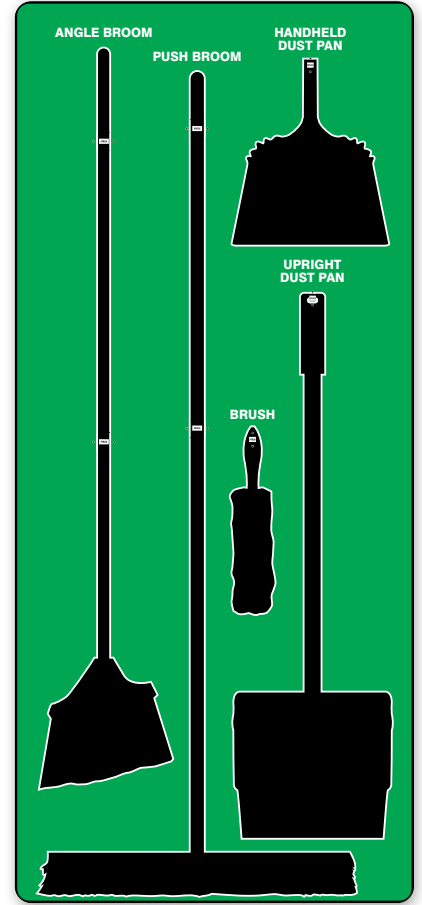

Pro Series™ Food & Medical Grade Acrylic/Accu-Shield™

- Designed for food processing and wash down environments
- Subsurface ink will not chip, peel, or deteriorate
- Pressure washable
- Temperature range of -30° to 190°F
- Antimicrobial properties

White Shadow

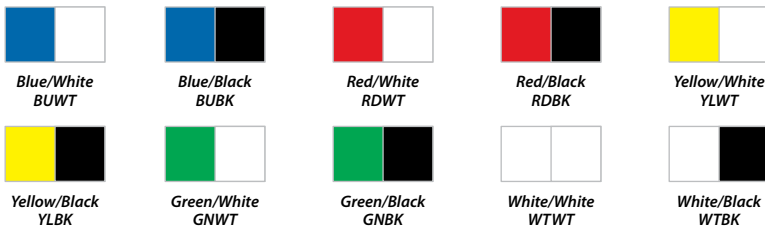

Black Shadow

Clean & Sweep Store-Boards™ and Combo Kits

Clean & Sweep Store-Boards™ are ideal for basic maintenance and janitorial usage. Shadows on the board identifies tools placement and organized neatly.

- Choose from a variety of materials to match your environment
- Select from five Store-Board™ color options and either Black or White shadow color
- Dimensions: 68"H x 30"W
- Include hardware for tools
- Features 1/2" rounded corners and 3/8" mounting holes
- Mobilize your Store-Boards™ with a frame (MC01 sold separately, pg. 54)

Board Color/Shadow Color Options:

To order, add color combination code (Store-Board™/Shadow) to part number. Example PSB114BUWT.

Material	Store-Board™ Only	Unit	Combo Kit	Unit
General Purpose Composite/Aluma-Lite™	PSB714	Each	PSB716	Kit
Industrial Grade Aluminum	PSB614	Each	PSB616	Kit

Combo Kit Includes:

- 1 Store-Board™
- 1 Handheld Dust Pan
- 1 Upright Dust Pan
- 1 60" Push Broom Handle
- 1 24" Push Broom Head
- 1 Brush
- 1 Angle broom

Combo Kits tools are typical maintenance tools (not color coordinated)

**Protected by Sign Muscle™ Liquid Laminate

PERSONALIZE IT! ...In 4 Easy Steps

STEP 1

Choose Your Material

General Purpose Composite/
Aluma-Lite™

Industrial Grade Aluminum

Pro Series™ Acrylic/
Accu-Shield™

STEP 2

Measure

Measure the space where your shadow board will hang. Or let us know if your board will need to be mounted to a mobile cart.

STEP 3

Tell Us About Your Tools

Option 1

Take a clear, straight on picture of each tool next to a ruler. Provide us with a general overview of the estimated size of the board need.

*Kobalt 3-Blade Utility Knife
Item #365654 Model # 55908*

Option 2

Provide a list of tools along with their manufacturer, part number, and description.

STEP 4

Provide us with:

Your Logo

High res/vector art

Your Colors

Background, shadow, font colors

Your Message

Tool names, part numbers, department

5S SHADOW BOARDS

A Place for Everything and Everything in its Place

DID YOU KNOW?

Properly deployed shadow boards can reduce administrative and production costs – increasing profitability at your location.

Mobile Cart Solutions

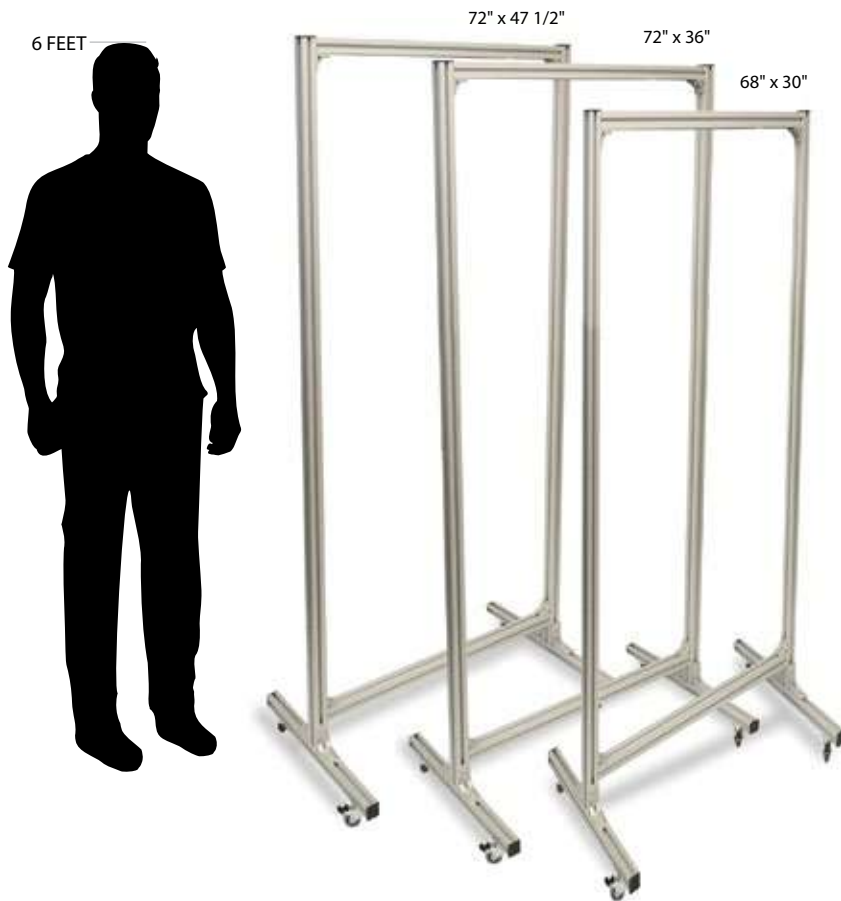

Push 5S Compliance or Communication Where it is Needed Most.

Mobile carts provide a maneuverable solution to perfectly support the organization of cleaning equipment, tools and more within the workplace, in addition to delivering point-of-need communication.

Available in three sizes, mount stock or custom shadow or KPI boards to these anodized aluminum frames with casters and move from workspace-to-workspace as needed.

About our Mobile Carts

- Three popular cart sizes
- (4) Swivel, locking casters; zinc-plated steel housing
- 2" diameter rubber coated wheels
- Some assembly required; instructions and assembly hardware included
- Mobile Carts can hold two boards, one per side
- MC01 fits our Janitorial (Dry), and Wet & Dry Zone Cleaning Station Store-Boards™
- MC02 fits our Janitorial (Mop) Cleaning Station Store-Boards™
- Custom boards can be designed to fit mobile carts

Item No.	Size	Unit
MC01	68" x 30"	Each
MC02	72" x 36"	Each
MC03	72" x 47 1/2"	Each

Site-Boards™

Our KPI boards (Key Performance Indicator) have a dry-erase surface that makes updating information easy, and our design team will customize the ideal layout for your company's unique work flow.

- Visually display schedules, goals, and sales targets
- Track production work status and time commitments
- Manage and update on-going work place initiatives
- Assign job responsibilities, tasks, and duties

PERSONALIZE IT!

How to Order

1. Layout

Show us a basic layout or template of what you would like. We can print your logo, full-color graphics, tables, grids, and more.

2. Size

Ranges from 24" x 36" up to 48" x 96". Have a bigger project? Contact us!

3. Material

Tell us if you need magnetic receptive or non-magnetic.

Once we have all of your requirements in hand, we will provide a quote and proof for your review.

Additional requirements.

- Do you need accessories to be included like a mobile stand or printed magnets?
- Magnetic Dry Erase boards are available in 8 sizes with aluminum frames and marker trays.
- Choose either wall-mounted or a double-sided board with mobile stand.

SITE-BOARDS™

5S Banners

Show and reinforce your pride in workplace/lean organization.

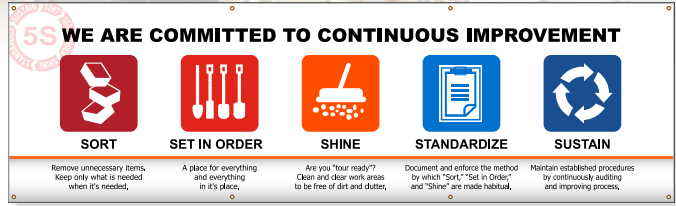

- Two standard sizes, 3-ft x 10-ft and 3-ft x 5-ft
- Printed on durable banner material
- Grommets for easy hanging

Heavy-Duty Floor Marking Strips

The best choice for superior durability, performance, and easy-to-apply Floor Marking solutions for your industry!

Durable strips stand up to everyday floor abuse, including forklift traffic.

- Strips are made with 55-mil thick polyethylene with an aggressive polypropylene adhesive backing
- Beveled edges reduce tears and lifts from pallet dragging
- Full adhesive back forms a solid bond, eliminating liquid from seeping underneath
- Easily applies and bonds to a variety of clean sealed, and non-coated surfaces
- 48-inch long strips allow you to keep lines straight
- Strips are easily trimmed to needed length or to create corners
- Perfect for the Set in Order phase of 5S implementations
- Service temperature range: -90°F to 168°F
- Additional colors available

Heavy-Duty & Durable Floor Marking Tapes

Built to withstand industrial traffic, these 50 & 30 mil thick floor marking tapes provide a long-lasting solution that goes down easy and cleans up just as well.

- Designed for long-term floor marking, yet still removes cleanly
- Smooth, easy to clean, slip resistant
- Leaves no residue when removed
- Faster to install than paint, with zero downtime
- Rubber based, pressure sensitive adhesive
- Service temp range: -10°F to 150°F
- Emergency Assembly Wall Sign

Compliance Counts:
**OSHA Compliant For
Marking Physical Hazards**

Heavy-Duty Floor Marking Tapes

- 50 mil thickness
- Material: Vinyl
- Dual beveled edges allow industrial wheels to roll over smoothly (50 mil option)
- Designed to withstand forklift traffic (50 mil option also withstands industrial brush scrubbers and other equipment)

LED Virtual Sign Projector

The ideal solution for high-traffic areas. Project safety message/ image onto floor or wall surface, in walkways, drive lanes, work areas, and entry points.

- Projector contains CREE high power LED chip, long-life 50,000 hr. energy-efficient LED bulb
- Projector includes interchangeable lens disc insert (additional lenses sold separately)
- Integrated cooling fan designed to prevent overheating
- Remote control & mounting kit included
- IP65 rated for damp environments.* CE and RoHS certified
- Operates on 110V with 3 ft. power cord and 3-prong plug
- Not recommended for outdoor use.

At AccuformNMC, we combined the *best-of-the-best* in sign protection to offer you the new and improved Sign Muscle® to increase the longevity of signs, labels, and more.

SIGN MUSCLE®

Sign Muscle® preserves the life of your signs and labels!

Our NEW & Improved Sign Muscle® formulation is powerful enough to survive in most environments...and it's patented*.

Pioneered more than a decade ago, our scientifically strong liquid laminate protects your identification product from virtually any hazard. Durable, strong and resilient, Sign Muscle® delivers protection – guaranteed.

A sign that lasts starts with a quality base material. For example, an industry-tested material like plastic versus a typical competitor material with unknown origins. The wrong base material can speed up damage to the potential life-saving safety message that sits on top. A message that guides a workforce to safety is a message that we can't allow to fade.

Longevity through quality also means scientifically engineered ink-sets specifically created for the materials they will be printed on.

That's the difference, driven by facts and supported by science. Resist fading and easily restore like new!

PRACTICAL SOLUTIONS FOR OSHA'S TOP 10 SAFETY VIOLATIONS

This is the top 10 most frequently cited standards following inspections of worksites by federal OSHA for Fiscal Year 2021 (Oct. 1, 2021, to Sept. 30, 2021). AccuformNMC offers a full suite of compliance solutions, only some of which can be found within this catalog.

1 Fall Protection

Protect workers from serious injuries – even death with safe work practices and safety identification.

Safety Signs – Page 28

2 Respiratory Protection

Inform and motivate employees to use the proper personnel protective equipment.

PPE Dispensers – Page 32

3 Ladder Safety

Prohibit the unauthorized use of ladders and motivate ladder safety methods.

Ladder Lockouts – Page 39

4 Scaffolding

Ensure jobsite equipment is safe and inspections are up-to-date.

Status Tag Holders – Page 16

Scaffold Inspection Tags– Page 17

5 Hazard Communication

Disclose chemical safety in the workplace with Haz-Com / GHS required products.

SDS Binders – Page 34

6 Lockout / Tagout

Protect employees by preventing the accidental start-up of serviced equipment.

Tags By-The-Roll – Page 42

7 Fall Protection–Training

Reinforce on-the-job safety and motivate employees on accident prevention.

Safety Signs – Page 14

8 Personal Protective and Lifesaving Equipment – Eye and Face Protection

Remind employees to prepare against hazardous environments.

PPE-ID Chart – Page 28

9 Powered Industrial Trucks

Protect employees against hazards associated with forklifts / lift trucks.

LED Sign Projector – Page 65

10 Machinery and Guarding

Safeguards help protect workers from preventable, severe workplace injuries.

Bilingual Equipment Safety Signs & Labels – Page 39

Together, we Inform, Protect & Motivate® the Global Workforce

With more facility identification experts on the ground, larger product selection, greater global presence, world-class-fast lead times, and category best customer service, AccuformNMC is here to help you keep your workforce safe. Our 85 years of facility identification experience provides category best knowledge of OSHA/ANSI/DOT/ISO/HAACP, and other regulations supported with actionable product solutions such as signs, tags, labels, lockout devices, traffic sign, 5S shadow boards, floor tapes, and more!

Learn more by visiting AccuformNMC.com and be sure to see our broader portfolio of brands by visiting Justrite.com.

Inform

Communication is a key component of everything we do here at AccuformNMC – from alerting others to potential hazards around them, to helping ensure your employees make it home safely at the end of the day, we create products that inform others of vital information to make navigating the world a little less dangerous.

Protect

Our products are designed with one key idea in mind: keeping what matters most to you safe. Whether it's your employees, your facility, or the public at large, our goal is to assist you in preventing accidents and injuries.

Motivate

We're not just about safety – Accuform is committed to helping you inspire your co-workers and colleagues to be more efficient, safety-minded, and live better lives.

THINK
