

Industrial Matting: TOP 10

479 Cushion Trax® • 9/16" thick • PVC Laminated

- Long-lasting Diamond-plate vinyl top surface
- Bonded with UniFusion™ technology, virtually eliminating de-lamination
- Tapered edges to reduce trip hazards
- Splicing option available for custom widths

Sizes	2'x3', 3'x5', 3'x12', 2'x75', 3'x75', 4'x75'
Colors	Black/Yellow, Black, Gray

419 Diamond Sof-Tred™ w/Dyna-Shield® • 1/2" thick • PVC Sponge

- Dyna-Shield® top surface for long lasting protection
- Outperforms competition in tear resistance and tensile strength - extends service life by as much as 50%
- Non-directional diamond-plate top surface

Sizes	2'x3', 3'x5', 3'x6', 2'x60', 3'x60', 4'x60'
Colors	Black, Black/Yellow

830 Switchboard Matting • 1/4" thick • High Voltage

- Electrically Insulative Class 2 PVC
- Prevents worker from being grounded, eliminating the possibility of electrical shock
- Corrugated saw-tooth top surface
- Tested in conformance with ANSI/ASTM D-178 specifications

Sizes	2'x75', 3'x75', 4'x75'
Colors	Black, Black/Yellow

979 Saddle Trax® • 1" thick PVC • PVC Laminated

- Bonded with UniFusion™ technology, virtually eliminating de-lamination
- Anti-fatigue floor mat engineered to meet the toughest industrial applications
- Certified by the NFSI (National Floor Safety Institute)

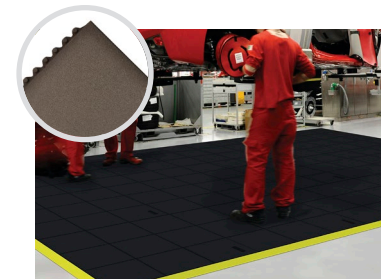

Sizes	2'x3', 3'x5', 3'x12', 2'x75', 3'x75', 4'x75'
Colors	Black, Black/Yellow

556 Cushion-Ease® Solid • 3/4" thick • Modular Rubber

- Heavy-duty natural rubber compound with anti-slip surface
- Unique multi-nib support design offers superior fatigue relief and aeration
- Modular rubber matting system for on-site custom configurations
- Optional male and female, 3' and 5' nitrile rubber ramps available for trip-resistant platform (551 M.D. Ramp System®)

Sizes	3'x3'
Colors	Black

975 Cushion Trax® Ultra™ • 3/4" thick • PVC Laminated

- Long-lasting diamond-plate vinyl top surface
- Bonded UniFusion™ technology, virtually eliminating de-lamination
- Sloped beveled edges to reduce trip hazards
- Splicing option available for custom widths

Sizes	2'x3', 3'x5', 3'x12' 2'x75', 3'x75', 4'x75'
Colors	Black, Black/Yellow

410 Airug® • 3/8" or 5/8" thick • PVC Sponge

- Basic anti-fatigue protection provided
- PVC closed cell foam relieves leg and back discomfort
- All four sides are beveled to minimize trip hazards

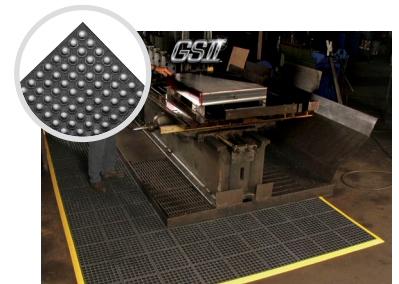

Sizes	2'x3', 3'x5', 3'x12' 2'x60', 3'x60', 4'x60'
Colors	Black, Gray, Black/Yellow

850 Niru® Cushion-Ease® GSII™ • 3/4" thick • Modular Rubber

- Silicon Carbide grit surface with GSII™ technology offers traction durability in harsh environments
- 100% Nitrile rubber for resistance to chemicals, cutting fluids, oils, greases, and animal fats
- Optional male and female, 3' and 5' nitrile rubber ramps available for trip-resistant platform (551 M.D. Ramp System®)

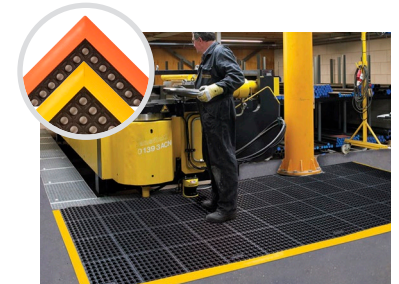

Sizes	3'x3', 3'x5'
Colors	Black

549 Safety Stance® • 7/8" thick • Rubber Drainage

- Resilient natural rubber compound withstands industrial cutting oils and chemicals
- Large hole configuration facilitates drainage
- Raised studs on top surface add traction
- Beveled borders on 3 sides of mat are permanently affixed

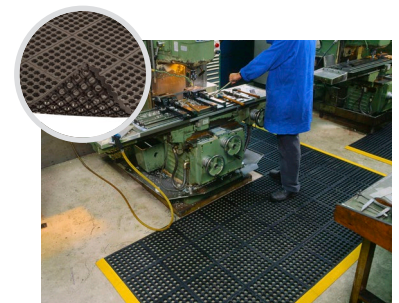

Sizes	26"x40", 38"x40" 38"x64", 38"x124"
Colors	Black/Orange, Black/Yellow

550 Cushion-Ease® • 3/4" thick • Modular Rubber

- Unique multi-nib support design offers exceptional fatigue relief and aeration
- Large hole drainage system keeps moisture and debris away from the worker platform
- Modular rubber matting system for custom configurations
- Optional male and female, 3' and 5' nitrile rubber ramps available for trip-resistant platform (551 M.D. Ramp System®)

Sizes	3'x3', 3'x5'
Colors	Black
